

Believing!

Believing God does not simplify your life ... it creates a struggle. Jesus did not come to make your life easier ... He came to reveal the truth to you. God came in the flesh to reveal the horrible condition our lives are in apart from Him! Always remember, God loves YOU ... Love came to give you a new way of living ... Free from sin ... outside of the curse that is now at work in the earth. But now, as we believe, we can pray in the Name of Jesus. Every answer we need will come to us through prayer. We don't have to pray, we GET to pray! Think about that! And we don't only pray for ourselves, we get to pray for others as well!

"Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God." (Philippians 4:6 NKJV)

Now that you are armed with this mighty name, don't think that your life will be easier... No, it places you in the battle. Walking by faith is never easy on the senses! Instead of walking by the flesh, now we are learning how to walk by the spirit ... And that's a completely different way of living! Position yourself for miracles! Believe in God's love for you! You must know and believe that God has a miracle for your life!

Arm yourself with the name of Jesus and you will always win. Arm yourself with the name of Jesus and you cannot lose! There is no other name by which men may be saved! Our marriages need the name of Jesus, our children need the name of Jesus, our business needs the name of Jesus, our school needs the name of Jesus, our leaders need the name of Jesus, our country needs the name of Jesus. Pray and watch God's glory come!

"Though now you do not see Him, yet believing, you rejoice with joy inexpressible and full of glory, receiving the end of your faith..."
(1 Peter 1:8-9 NKJV)
