

Journey!

"For I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes, for the Jew first and also for the Greek. For in it the righteousness of God is revealed from faith to faith; as it is written, "The just shall live by faith." Romans 1:16-17

Know of a certainty that God has poured out, and is pouring out, and will continually pour out His Holy Spirit upon you to the degree that you unveil your heart for Him! And just as the early church received the fullness of the Spirit in Acts chapter 2, the same individuals received the fullness of the Spirit a second time in Acts chapter 4! God's presence in our lives is not something that we can control or manage on our own. We need Him all the time! And the gospel is revealed from faith to faith. That means only one thing ... your faith is growing! The faith that you walked in yesterday has brought you to the place where you are today. But we need *present* faith to launch us into our tomorrows. How does faith grow? Faith grows by *receiving*!

There is a destiny waiting for you as you dare believe the Word of God that is being spoken over your life. But this destiny won't be found in all of those things which have become familiar to you. Your destiny won't be found where life has become comfortable! Your true identity is waiting for you in the unfamiliar--things that you have never experienced before, places that you have never been before! God calls each of us from faith to faith. Abraham, Moses, David and Gideon, Daniel, Peter, Paul and Timothy! They all had to leave the old and be led by God into the new! It was in the unfamiliar that their true purposes were exposed. What would have happened if Abraham stayed at home? What if Daniel ran from his captivity? What if Gideon said the Word was too much for him to do? In like manner, the faith within you is driving you outside of what is comfortable for you. Faith is leading you into faith! And faith grows by receiving, or saying "Yes!" to the Spirit of God. As you walk in the spirit rather than the flesh, every limitation no longer prevents you from moving forward. We are on a wonderful journey into the Presence of God!
