

## Walking in His Steps!

*"Be steadfast, immovable, always abounding in the work of the Lord."*

*1 Corinthians 15:58*

Look at the power of God's spoken Word. In the account of creation God spoke, "*Let there be ...*" and there was enough creative power in that word to bring it into existence. In the beginning, whatever God spoke came into being. "*Let there be light!*" was all that it took for light to come into existence. The angel Gabriel appeared and spoke to Mary, "*for with God, nothing shall be impossible.*" He was literally saying: "*no word from God is void of power.*" The power is always contained within the Word from God being spoken! So, Paul was moved upon by the Holy Spirit in writing to the believers in Corinth. And he says in the strongest language possible, "*Be steadfast, be immovable, always abounding in the work of the Lord.*"

You have the capacity to be steadfast! You have the capacity to be rock solid. You have a strength available far higher and far greater than yourself! Steadfastness is part of God's very nature that He wants to share with you! For that reason God proclaims to you: "*Be steadfast!*" In like manner: "*Be immovable!*" Again, He would not ask you to do this unless you had the ability to do so! That tells us we don't have to be tossed to and fro! We can stand! We can stand firm and not deviate from the truth. There is a place and a capacity which has been opened for us. Now we can abound, and not just abound once in a while. God says "*You can always abound!*" Is this really possible? Is this really available? Yes! Jesus will target every thing which will prevent discipleship from taking place in your life. He will challenge you; He may even offend you. Just lay each thing aside as He exposes them and watch steadfastness take over!

How can this be so? Because God said it! When God speaks, He creates something out of nothing. God looks at you today and says: "*Be steadfast!*" There's enough power in those words to bring it to pass. God's desire for you is to be abounding! Walking in His steps! As a disciple, grow in His strength, abounding in every good work!
