

Wonderful Life!

John 5:26 declares,

"For as the Father has life in Himself, so He has granted the Son to have life in Himself."

You are now on the journey of a lifetime! Have you received the life of God? If the Father granted the Son to have life in Himself, then also, because of Jesus, this same life is available to you! The life of God is designed for only one thing: to live within the *soul* of man. This life of God is now available to every man. It's not automatic; it's available. How does this life show up? Well, we must use the *power* which resides within our own soul and open up our "gate". Only after your soul-gate is open can the life of God move within us. We get to make our lives available for Christ's coming! Paul declared in Second Corinthians that *"we hold this treasure in earthen vessels."* What good is a treasure when it's still buried in the ground? What value is the life of God when it's not working in our lives? God gave us His life, *His* kind of life, to accomplish something *in* us that could not be done without His help. Defeat may have been inevitable in the past but now, because of the life of God there are new possibilities! Victory can be achieved. It won't come through compromise; it does not come through wishful thinking; it will not come through inactivity. Victory comes through the life of God being given access to our *soul* each and every day. Who determines this? **We** do! But God's life always works!

Remember God's words in Deuteronomy:

"I set before you this day life and death. Choose life that you may live."

We get to choose! And remember, God will never override your decision! We are free to choose! We are free to love! We are free to use the power we have been given! But our soul is always controlled by what motivates us. When motives are true they create blessing. But if we are led by false motives our soul will be kept in bondage. Get ready! God desires your soul to prosper. Receive God's wonderful life!
